

PGPP Pad Advantages:

- 9lb. Density foam pad with molded-in relief on both sides of goal for no-cut-to-fit applications.
- No streaking due to color dye.
- Bolt on design means no regluing or retaping. Will not vibrate loose.
- Interlocking design for easy installation.
- Fits all regulation 72" backboards.
- Used by professional and top collegiate teams.
- Meets or exceeds all NBA, NCAA, NFHSA, FIBA and Olympic specifications.
- Proudly made in the U.S.A.
- Available in 12 popular colors.
- 8 Year limited warranty.

Pad Color (501): _____	
Black	Brown
Burgundy	Columbia Blue
Frst Grn	Gold
Grey	Kelly Grn
Maroon	Navy Blue
Orange	Purple
Pink	Red
Royal Blue	Yellow

Standard Pad Design:

- Problems with tearing, cracking, flaking, and sagging.
- Poor safety design at corners and where pad meets under goal.
- Can vibrate loose during play.

REQUIRED MODEL #PGPP

SCALE: 1/2"=1'-0"
